

Concurrent Enrollment Guide:

Shasta College

Concurrent enrollment means a high school student takes community college courses while remaining a full-time high school student. If your student is interested in concurrent enrollment, please review the [concurrent enrollment process](#).

Since there are many community colleges throughout California, this resource is meant to help students decide on which community college courses to take. High school students are not limited to the community courses listed below, this is simply a collection of popular courses our students have already taken. Please reach out to your high school counselor for help with concurrent enrollment.

	MUS 10 Music Appreciation	10 HS credits AG approved CC GPA boost
	THTR 1 Introduction to Theatre Arts	10 HS credits AG approved CC GPA boost
World Language	ASL 1 American Sign Language 1 <i>*equivalent to 2nd level of high school study</i>	10 HS credits AG approved CC GPA boost
	ASL 2 American Sign Language 2	10 HS credits AG approved CC GPA boost
	FREN 1 French 1 <i>*equivalent to 2nd level of high school study</i>	10 HS credits AG approved CC GPA boost
	FREN 2 French 2	10 HS credits AG approved CC GPA boost
	SPAN 1 Spanish 1 <i>*equivalent to 2nd level of high school study</i>	10 HS credits AG approved CC GPA boost
	SPAN 2 Spanish 2	10 HS credits AG approved CC GPA boost
Electives	ANTH 1 Physical Anthropology	10 HS credits AG approved CC GPA boost
	ASTR 1 Astronomy: The Solar System	10 HS credits AG approved CC GPA boost
	CIS 2 Introduction to Computer Science	10 HS credits AG approved CC GPA boost
	HLTH 1 Health and Wellness	10 HS credits AG approved CC GPA boost
	HLTH 2 Nutrition and Fitness	10 HS credits AG approved CC GPA boost
	HIST 17A United States History	10 HS credits AG approved CC GPA boost
	PHIL 6 Introduction to Philosophy	10 HS credits AG approved CC GPA boost
	PSYC 1A General Psychology	10 HS credits AG approved CC GPA boost
	SOC 1 Introduction to Sociology	10 HS credits AG approved CC GPA boost
	STU 1 College Success	10 HS credits AG approved CC GPA boost

Community College Credit Conversion Chart:

Community College Credits	High School Credits
1 credit	2.5 credits
1.5 – 2.5 credits	5 credits
3 credits or more	10 credits

** If a student is awarded less than 1 credit at the community college, then we will issue the same amount of credit in high school. For example, if a student completes 0.5 credits at a community college, then we will award 0.5 credits on the high school transcript.*

AG approved – means that the community college course meets A-G requirements. Students will need to earn a grade of C or better in order to fulfill an A-G requirement.

- Science courses will need to include a lab component in order to meet the laboratory science A-G requirement.
- Non-transferrable math community college courses in elementary algebra, geometry, intermediate algebra or trigonometry, with a grade of C or better, can satisfy one year of the mathematics A-G requirement.
- For more information on how community college courses can fulfill A-G requirements, please refer to this [guide](#).

CC GPA boost – means that the community college course is academically rigorous (community college courses that are 3 units *AND* both UC and CSU transferable), and will be granted an extra point in the weighted GPA calculation on the high school transcript. Please keep in mind that while middle school students can take community college courses, this will not affect their high school GPA. The high school GPA is calculated with the classes taken during grades 9 through 12.
