Authenticate Email Account

Before we can access any online curriculum in **CLEVER** we need to authenticate our email address through

Google.

GMAIL.COM

Name: **Valarie Frizzle**

Local ID: **31415**

School Gmail: **vf31415@cottonwoodk12.org**

Password: **31415.valarie**

The pattern is:

Username: [firrstinitial][lastinitial][localid]@cottonwoodk12.org

Password: [localid].[lowercasefirstname]

Log out of all gmail accounts then.

Go to gmail.com

If your Gmail account shows up you can click on the top right of your Gmail account and “add another account”

This account is managed by cottonwoodk12.org. [Learn more](#)

	<p>Another option is to open a “New Incognito Window” from your browser.</p> <p>Your student username is: [firrstinitial][lastinitial][localid]@cottonwoodk12.org Example: vf31415@cottonwoodk12.org</p> <p>Your student password is: [localid].[lowercasefirstname] Example: 31415.valarie</p>
<p>Once your school gmail is authenticated you can login to CLEVER</p> 	<p>Here's how a student can log in to Clever:</p> <ol style="list-style-type: none"> 1. Go to https://clever.com/in/cottonwoodk12 2. Click on the Login with Google link 3. Enter school email and password (*see details below) 4. Start exploring! <p>*All students use the same pattern for email and passwords; you need to know the Local ID number and student name.</p> <p>For example, if your name is Valarie Frizzle and your local ID is 31415, then your email and password are:</p> <p>vf31415@cottonwoodk12.org 31415.valarie</p> <p>The pattern is: Login: [firrstinitial][lastinitial][localid]@cottonwoodk12.org Password: [localid].[lowercasefirstname]]</p>

Now that you have authenticated your student gmail account and entered your gmail information into CLEVER you are set to access applications in CLEVER you have registered to participate in.
