Sr Star Reading
For Grades 1-12

- Manage Goals & Benchmarks
- Record Book
- Data Insights
- Reports
- Growth Expectation
- Historical Extract
- Deactivate Star Tests
- Preferences**
- Resources

The screenshot shows a dropdown menu for 'Star Reading'. The 'Preferences' option is circled in red, and a red arrow points from the 'Star Reading' header to it.

3. Scroll down to Star Math Audio under Individual Student Preferences.

Individual Student Preferences	
Book Level Restrictions	Define book-level range of book quizzes students can take
Estimated Instructional Levels	Set students' estimated Instructional Reading Level and Math Instructional Level for Star tests
Extended Question Time Limits	Set to extend students' time limit for answering questions in reading and math Star tests
Interest Level Restrictions	Define interest levels of book quizzes students can take
Quiz Settings	For reading quizzes, set options for asking how the book was read and recorded voice availability
Star CBM - Record Audio	Decide whether specific students can have the audio of their assessments recorded
Star Math Audio	Set audio for Star Math and Star Math Spanish tests

4. Select your name under classes and under students select "Select All" a list of all your students should come up.

[Redacted]	<input type="checkbox"/> Audio enabled

5. If you see any students with blank check mark boxes, hit the "set all" button at the top to add audio to all students. Then hit

“apply to all”.

6. Once you have done that, all of your students will have audio on the Math STAR test.
7. If you have any questions, please feel free to email testing@cottonwoodk12.org
